

Virtual General Counsel

Your In-house Legal Team at an Affordable Cost.

Virtual General Counsel (“**vGC**”) is a cost-effective Subscription Service, providing high-quality inhouse legal support from an experienced and award-winning full-service law firm.

Through **vGC**, we are a seamless extension of your business, taking the time to understand your operations, your risk appetite, and the way you like to work.

vGC offers a **Fractional Counsel** solution that flexes to your needs to:

- Supplement your **in-house team** during busy periods
- Lead or support **specific projects**
- Cover short or medium-term **absences**
- Act as **interim cover** until you appoint an in-house lawyer

About Us

Ignition Law is an **award-winning, full-service** law firm trusted across industries and sectors. We’re a proven partner to ambitious **SMEs**, supporting them from securing investment to scaling fast. Our team provides guidance at every stage: launch, growth, funding, and exit, and delivers strategic, commercial, and client-praised advice that consistently sets us apart from the competition.

Key Features

1. Heavily Discounted Fees

Our monthly packages give you up to **40% off** standard fees, with tailored options for general legal support and cost-effective company secretarial plans.

2. All Legal Areas Covered

Use subscription credits across commercial and corporate contracts, employment, property, IP, data privacy, disputes, cosec and more.

3. Use Across your Group / Portfolio

Easily extend your subscription to other group companies, with reporting adjusted to your structure.

4. Minimum 6-month Term, with 3-month Review

Subscriptions run for 6 months, but after the first 3 months you can scale down or cancel with prior written notice. You can increase your hours anytime, with prior written notice, to unlock even greater savings.

5. Unused Hours Carry Forward

Any unused hours roll over month to month – and after your initial 6-month term, they continue if you renew with at least 10 hours/month.

6. Dedicated, Consistent and Experienced vGC team

You'll have a Lead Lawyer as your main contact, supported by a wider legal team as needed, plus a Lead Partner who provides strategic oversight – at no extra cost.

7. Seamless Dialogue

We keep communication efficient through:

- A complimentary 45-minute kick-off session
- A three-month review
- Ongoing check-ins tailored to your schedule

8. Access to Legal & Business training

As a vGC client, you'll be invited to our client-facing training sessions. Where helpful, we can design bespoke training for your team.

9. Optional extras

We provide real-time or scheduled updates, monthly hours tracking, tailored reporting to highlight efficiencies, and practical suggestions to streamline your legal operations.

You can find out more about our vGC offering [here](#) or contact us at info@ignition.law

What have others said about vGC?

"We needed a dedicated flexible legal solution for our business while we scaled. VGC offered us this peace of mind."

"Our small legal team was underwater. VGC relieved some of this pressure giving us more time back to focus on business-critical issues."

"An internal project popped up that would [have] required a lot of senior leadership time. We used VGC to deliver this workload for us."

"We are not ready to hire a permanent in-house lawyer. VGC was a great solution to keep day to day matters tied down."

"Our in-house lawyer was going to be out of the business for the next 3-4 months. We were able to share the non-critical workload to others and VGC picked up the rest."
